

Council Holds Meeting for Reorganization

**BURGESS DOWNES' MESSAGE OF
GREATEST IMPORTANCE—FREE
MAIL DELIVERY GREAT
NECESSITY FOR BOR-
OUGH.**

On Monday evening of this week, Council held a meeting for re-organization for the current year, at which meeting the following were present:

Burgess Downes, President of Council W. R. D. Hall, Councilmen Maddox, Redifer, Wentz and Henderson. Oath of office was taken by Messrs. Redifer and Henderson.

The following officers were elected: President of Council, W. R. D. Hall, for term of one year; for Secretary, Charles V. Noel, two years; Treasurer, E. P. Dold, two years; Street Commissioner, C. E. Humphries, two years; Building Inspector, J. T. Darlington, two years.

Under new business, a bill was introduced to fix the tax millage rate and to pass the budget order for 1920, which was referred to the Order and Law Committee.

A special meeting was then called, to be held next Monday evening, January 12th, and all old committees were instructed to hold over until that date.

Treasurer Dold was authorized to transfer the bank account of the borough from the Central Trust and Savings Company of Philadelphia to the Merion Title and Trust Company. The Treasurer's bond was fixed at \$5,000. Various bills were read and passed to the appropriate committees.

The daylight ordinance was introduced and which if carried will place Narberth as the first of the Philadelphia suburbs to indorse the daylight saving plan the same as Philadelphia was the first big city in the country to adopt this plan.

Burgess Downes' message, as printed elsewhere in this issue, speaks for itself. Its encouraging words to our Council were timely and point to the making of a greater and better borough. Next Monday evening a special meeting will be held to fix the tax millage rate and to pass the budget ordinance for 1920.

Narberth Fire Company Saves Valuable Property

**THREE ALARMS IN ONE NIGHT
KEEP LOCAL ORGANIZATION
BUSY ON COLDEST NIGHT.**

Last Sunday evening, at about 8.30 an alarm came from the home of Mr. Arthur G. Hawes, on Berkeley Road, Merion.

The fire whistle quickly brought the entire crew together, and in a few minutes they were speeding on their way through a very cold and windy night, to help save the property of one of our neighbors.

Mr. Hawes has expressed his appreciation and says that the Narberth Fire Company deserves the greatest praise and credit for the excellent way in which they handled the job.

The building is of frame construction and would have been a total loss had our fire fighters not arrived on the job when they did.

They had returned to the Fire House and were talking over the experience when the second alarm sounded at 10.15, and once again they ventured forth to find that electric wires which had been burnt by the fire caused a spark which started another blaze. This was promptly extinguished and they had no more work that night until 7 A. M. in the morning. This alarm brought them to the home of Mr. A. E. Wohler, at 217 Price avenue, where a spark from the chimney had ignited the shingle roof. About fifteen shingles were quickly chopped out and the excitement nipped in the bud.

At the Merion fire it was necessary to use the chemical apparatus until the fireplug could be thawed out with hot water from neighboring houses.

Hats off to our brave firemen, who are always ready, on the job night and day, to save the property of not only Narberth people, but those within many miles of Narberth. They ask little, give much, and risk more in a spirit of voluntary helpfulness, which should be sincerely appreciated.

**OF THE TENNIS CONCERT AND
DANCE IN NEXT WEEK'S
ISSUE OF OUR TOWN.**

Barring extra heavy blizzards, tornadoes, hail storms, etc., etc., the concert and dance of the Narberth Tennis Association—to fall into the limbo of the past perfect participle, or whatever the animal is—will have taken place last evening (Friday), in Elm Hall, and quite aside from any question of English or grammar, we feel perfectly safe in saying that a delightful evening was had by everyone who attended. In next week's issue of Our Town there will be a full account of the affair. If you're not a subscriber—you ought to be—"ask your newsdealer to save you a copy."

ENLIGHTENMENT REGARDING CONDITIONS AT THE EAST- ERN PENITENTIARY.

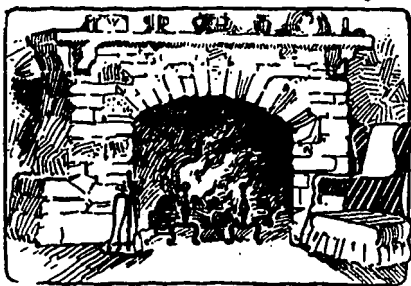

That Narberth may have light on the investigation of the Eastern State Penitentiary, Twenty-first and Fairmount Avenue, Philadelphia, now under way, there will be a meeting under the auspices of the King's Daughters and Sons, Thursday, January 15th, at 8 P. M., in the Community Room of the Y. M. C. A.

One of the present Board of Inspectors of the Penitentiary, Mr. W. A. Dunlap, will speak; also a former prisoner will give some of his experiences.

Mrs. Howe, of New York, will give a short talk.

We hope everyone will make an effort to be present at this meeting to hear the truth.

Some people say that the war gave us "jazz," "flue" and prohibition. The American Legion officers and members have used the "jazz" to good advantage, and people instead of on New Year's Eve going to town to a cafe, beginning with 1920 will stay in their own home town and enjoy themselves to the fullest extent among their friends.

THE FIRESIDE

FOUND—A new brown glove for boy. Call at Post Office.

Final spring dance, American Legion, Friday evening, April 30.

Washington's Birthday dance, Elm Hall, Saturday evening, February 21, by the American Legion.

Mr. and Mrs. C. P. Fowler have been unexpectedly called to Canada, owing to the death of Mr. Fowler's father.

On March 17, Wednesday evening, the St. Patrick's Day dance of the American Legion will be held in Elm Hall.

Friday afternoon of next week is the day the Community Club gives its Card Party.

It is with deep regret that we announce the death of Mrs. L. C. Sutherland of Woodbine avenue, Narberth, which occurred on Monday afternoon.

Mr. and Mrs. William D. Smedley announce the engagement of their daughter, Alice Hilda, to Mr. William H. Durbin.

The next American Legion Dance, Friday evening, January 30, in Elm Hall, will be known as the mid-winter dance.

The number of candy shops in Narberth is increasing, which may account for the influx of doctors of dental surgery.

Next Monday evening at 8 o'clock our borough Council will meet in the Fire House to pass on the budget for 1920 and fix our tax millage rate.

Mr. J. F. Keating announces the engagement of his daughter, Helen Marie, and Mr. R. B. Seitzinger, of Atlanta, Georgia.

A son arrived at the home of Mr. and Mrs. V. V. Wood, 337 Meeting House Lane, on New Year's Day. His name is W. Grant Wood.

Mr. and Mrs. John Bickford Brooks, of Dudley avenue, gave a family dinner on Sunday. Covers were laid for fourteen guests.

There are five census enumerators from Narberth working in various parts of Lower Merion Township. Uncle Sam knew where to come to get some good helpers.

Sympathy is expressed for Mr. and Mrs. A. E. Wohler for the death of their baby, Axel Valdemar, who died at 7.05 A. M. January 2, after having been ill one day.

Many Narberthites who are seen on Sundays in Narbrook Park seem to be greatly interested in the rapid development of the beautiful settings of the new homes.

Friday, January 16th, is the date of the Community Club Card Party. It is to be held at the residence of Mrs. Robert Dothard, on Wynnewood avenue, and will begin at 2 o'clock. The tickets are 75 cents.

Philadelphia, Narberth and New York will move back their clocks next spring and save an hour of daylight for amateur gardeners, motorists, tennis fiends, golf bugs, and others who are not concerned as to the time the milk trains leave the station.

Last Wednesday evening, December 31st, at 8.45, some weird strains started to issue from our Elm Hall and a goodly number of Narberth folks ascended to the second floor to see the old year out and the new one in, in the modern manner.

Senator's Novelty Jazz Orchestra has been engaged for the mid-winter dance and those to be held on Washington's Birthday, St. Patrick's Day and April 30, and as long as the American Legion manages the dances we can all look forward to a long evening of enjoyment.

Burgess Downes' Message to Council

To the President and Members of Borough Council:

Gentlemen:—

Two years ago I presented for your consideration my first message. I called the attention of your Honorable Body to the necessity for the proper construction and maintenance of our streets. I requested that you keep in mind the thought of permanence and durability, not to be unmindful of the fact that the cost of construction during the war would be and remain unmeasurably high. It is my privilege and duty to congratulate you upon the wisdom and uncommon foresight which you have shown at all times in the handling of this most important of the Borough's problems.

You are to be further congratulated in securing the services of Mr. Charles Humphreys as Street Commissioner. His intelligent directing of the work and close co-operation with the Highway Committee has made it possible for us to be justly proud of our streets and at the same time to feel that our funds have been judiciously expended.

The satisfaction expressed by the Citizens generally in view of the necessary increase in taxes, is evidence of their wish to put at your command the proper funds needed to make our highways second to none in the Commonwealth.

OUR BUSINESS STREET: May I not draw your attention specifically to the necessity for improvement to Haverford Avenue, from Narberth to Essex Avenues? This is the main business street of the Borough, and while the Street Commissioner is to be commended for the manner in which this street has been maintained, it is evident that it will require reconstruction, in whole or in part, in the near future. I am advised that your Budget for 1920 provides for the reconstruction of that part of the street between Narberth and Forrest Avenues, and of this I approve, but I would further suggest that if it be at all possible, the square from Forrest to Essex be also reconstructed not later than 1921.

PROPER SIGNS: I take this opportunity to call to your attention the necessity for suitable signs to be erected at the various approaches to the Borough, properly welcoming visitors to our Community. I also urge that a right-and-left sign be placed at the corner of Haverford and Essex Avenues. The highway at this point is narrow and the traffic congestion unusual; therefore, the Public should have this protection.

FRONT FOOT ASSESSMENT PLAN: In view of the financial condition of the Borough, I feel that Council is to be commended for the wisdom of its decision on the subject of street and sewer construction, that all future improvements be paid for on the front foot assessment plan. While heretofore the Borough has been more than generous in the manner in which these improvements have been paid for out of the current revenues, this has proven to be an uneconomic and unsound method, which, if persisted in, would involve the Borough in still further difficulties. I commend, therefore, your decision to assess these improvements on the property owners.

COLLECTION OF ASHES AND GARBAGE: The matter of collecting ashes and garbage has been satisfactorily settled in a way which seems to be to the best interests of the tax-payers. I am opposed, however, to the plan now used to place the ash-boxes in the front yards and on the sidewalk until the collector calls for them. This is unsightly, does much to detract from the beauty of our Community and I feel sure that I am voicing the feeling of the Citizens when I urge that this plan be done away with.

FREE CARRIER DELIVERY: In connection with the improvements contemplated by the Pennsylvania Railroad Company when it returns to corporate control, at Narberth Station, which subject, I am advised, is in the hands of a special committee of your Honorable Body, I would draw your attention to the advisability of recommending to the Postmaster-General the establishment of free carrier delivery in Narberth at the earliest date at which this can be accomplished. I understand that public agitation has recently arisen along these lines and I would suggest that your Honorable Body render whatever co-operative assistance possible to secure this service. The present Post Office, while a distinct improvement on the old one, will soon prove inadequate for the growing business of the Borough. While this subject, of course, is not in the province of Councils, nevertheless I believe that any co-operation which your Honorable Body may be able to extend to the Postmaster in the improvement of local service will be appreciated.

SHADE TREE COMMISSION: I have recently called a meeting of the Shade Tree Commission which I appointed in accordance with the provisions of the Ordinance passed by Council last year. At this meeting the duties and requirements of the Commission will be explained to the members, so that there will be no uncertainty in the future as to what should be done by this Commission or the manner in which it is to be done. Their preliminary work during the Fall was very satisfactory, and I am sure with the co-operation of our Citizens the results will be invaluable.

MEMORIAL TO SOLDIERS AND SAILORS: I am informed that your Honorable Body has recently passed a resolution endorsing the proposed memorial to the soldiers and sailors who represented Narberth in the Great War and that this endorsement was of the plan to improve and enlarge Elm Hall, turning it over to the Borough when completed. Of this I most heartily approve and I commend it to you as being the most practical and meritorious project advanced. It is altogether fitting that the memorial should take the form of a utilitarian plan which will serve not only as a stately monument to those who made the supreme sacrifice for their country and their flag, but also as an addition to the useful features of the Borough available for the comfort and use of those who fortunately returned to take up their lives in our midst.

DAYLIGHT SAVING IN NARBERTH: I am advised that among the first of the many important subjects to be considered by Council at this session will be a bill providing for Daylight Saving in Narberth during the summer months. Of this I most heartily approve, and for it I bespeak your support. This recommendation comes in the latter part of my message. I sincerely trust, however, that your Honorable Body will give it your first consideration. Our community, I believe, is a unit in its approval of this measure.

In conclusion, may I express to you, Mr. President and every member of this Council, my great appreciation of your splendid co-operation at all times, and further, may I congratulate you on the businesslike manner in which you have conducted the matters of the Borough. I am ready at all times to confer with you on all matters pertaining to the happiness, comfort and protection of our citizens.

NARBERTH'S VOLUNTEER FIREMEN ON THE JOB, AS USUAL.

I cannot commend too highly the spirit of our volunteer firemen who responded so quickly to the call for help from our Merion neighbors and our own good citizen, Mr. Wohlert. It takes nerve, grit and a proper understanding of duty and responsibility to face zero weather such as the weather man gave us at midnight January 5th. Our boys did splendid work at the Hawes residence, Berkley avenue, Merion, and Mr. Wohlert's property, on Price avenue.

We are proud of the fire protection provided for us at all times by Chief Noel and the splendid body of men who make up the personnel of our volunteer Fire Department.

Would it not be advantageous and wise for our borough to place a light at Essex and Elmwood avenues, as well as at Haverford avenue in front of the Post Office?

LANAHAN, 205 Forest Avenue
P. O. Box 332. Phone, Narberth 3-44 R.

To the Editor of Our Town:

Why not have postal delivery service in Narberth?

According to information from the Postmaster General at Washington, D. C., there is no reason why Narberth should not have this service except for a few minor details such as street signs and the proper numbering of houses.

I should think the Civic Association, with the aid of Councils, could easily arrange this.

Yours for an up-to-the-minute town,

ROBT. E. PATTISON, JR.

Our attention has been called to acts of vandalism by a number of boys and young men in Narberth. The Y. M. C. A. building seems to be the particular object of their activities.

It is a strange phase of human nature that the very class of our residents for whom the Y. M. C. A. was created, and for whose benefit many people are contributing their best efforts and money, should be the one that either maliciously or thoughtlessly seeks to destroy its property.

Another surprising feature of the case is that these boys and young men, most of whom are known, come from families where they are surrounded by good influences. We have no doubt that their parents, when they learn of these acts, will be shocked beyond measure at the thought that their children should take part in lawless destruction of Y. M. C. A. property.

Corner lounging is a fruitful source of this kind of mischief. Why it is permitted by the parents of the boys is a mystery.

The directors of the Y. M. C. A. have always treated such acts in a spirit of leniency that is not appreciated. The offenders have been allowed to go free, without legal prosecution. We doubt whether this will continue, as a proper regard for the property entrusted to their care demands that an example be made of the guilty parties that will make a lasting impression.

Club's Weekly Letter

To the Editor of Our Town:

Well, it's over. The world may now resume the duties which it suspended while awaiting in awed expectation the annual message of Narberth's Chief Magistrate. It was my privilege to be admitted to the Presence during the address to the aggregation of intellect and wisdom which Narberth calls "Councils," and the reading of the Great Document. In honeyed and golden words our Burgomaster—my, what a man!—repeatedly addressing the members of Councils as "Your Honorable Body," complimented our efficient law makers on their excellent record for the year just closed, not forgetting to hand a bouquet to our overworked Street Commissioner in recognition of the excellent condition of the Borough's highways and adjuring the Honorable Body to continue to display the high quality of statesmanship which has been the wonder of an applauding and observing universe. Expressions of regret were uttered at the absence of the newly elected member, that great statesman, the Honorable Carl Metzger, from the Swamp Hollow District. On the other hand, those present had cause for congratulation in being honored by the company of that great leader of politics and fire hose, the Honorable Charles V. Noel.

The message in full will probably be printed in another column, but long before it appears in this paper it will have been flashed around the globe for

the enlightenment of the the peoples of all lands. It is, therefore, not necessary that I enter into details, although there is one feature worthy of special mention, and that is that the message recommends that Councils pass a resolution making lawful the adoption of the daylight saving plan. This will place Narberth in line with such other important communities as New York and Philadelphia. These three will now be the leaders, as they should be. When it comes to enterprise, our Ruler is right up at the top, and it's no wonder that people are beginning to hail him as "Carroll, the Great." What a President he would make!

Before concluding I must tell you that the Honorable Body organized for the year, its officers being sworn in after a long and almost vain attempt to locate a Bible in the neighborhood.

The dignity and solemnity of the proceedings were somewhat marred because in an adjoining room Bill Cumber, in that well modulated voice of his was expounding his views on the Prohibition Law, and, believe me, his utterances were not what you might call complimentary. Somebody closed the door after awhile and then the world continued to turn in its orbit.

There's an unconfirmed rumor current that a train on the P. R. R. was on time the other morning.

You may be relieved to know that Fishtown's petition to the P. R. R. asking that the 5.13 express eliminate the Narberth stop, has been rejected by the railroad officials. This was mainly due to the efforts of a Narberth citizen of brains and influence. Even a Democratic administration was able to recognize the utter absurdity of the petition from the trolley station two miles west.

Sam Wiley sez: "Th' feller that marries a gal that don't look good t' nobody but himself, is going t' have a lot peacefuller time than the guy that weds a doll that looks good t' every man that sees her."

Why not purchase all of your postage stamps at the Narberth Post Office? I mean those that you use in your office in the city. This will swell the receipts of Narberth and help a lot towards securing local carrier delivery, for which a great many of us are clamoring.

Howard C. Fritsch journeyed to Norristown on Monday, January 5, and was sworn in as Justice of the Peace in and for the Borough of Narberth and County of Montgomery, Pa., by Judge John Faber Miller, for a term of six years, beginning January 5, 1920. Mr. Fritsch was appointed to this office in May, 1919, by Governor Wm. C. Spraul, to fill an unexpired term and was elected to continue in office for a full term at last November election.

Community Club Card Party Benefit

At the residence of Mrs. Robert Dothard, Wynnewood avenue, above Windsor, the members of the Woman's Community Club and their friends will spend the afternoon of January 16th in games of bridge and five hundred. The price of a ticket is 75 cents.

The committee in charge request those having taken tables to bring the returns of their tickets to the regular meeting of the Club on January 13th. The proceeds go into the treasury of the Club to help defray the regular expense of lectures not covered by the small annual dues.

Parties preferring to progress will be accommodated. There will also be light refreshments served and prizes awarded the successful ones. Several tables have already been taken and a delightful afternoon is anticipated. So be on time that the afternoon may not be too short on Friday, January 16th, at 2 o'clock.

WOMEN'S COMMUNITY CLUB

The next meeting of the Community Club, January 13th, will be of unusual interest to members, as a most amusing program has been planned.

The clever newspaper travesty, "The Woman's Page," given so successfully at the New Century Club last fall, will be repeated for us by the same cast.

The travesty includes a "Heart Interest Story," "Tested Recipes," "Answers to Correspondents," "Beauty Hints," and ends with a spirited de-

bate on "Should the Society Column be Abolished?"

When it is added that Miss Jane Campbell, whose sprightly wit is so well known in Narberth, will add her bit to the fun, it is evident that there is a treat in store for us.

The early part of the meeting will be devoted to a reception for new members by the Executive Board. It is requested that all the members recently admitted will make a point of attending this meeting, as it affords an excellent opportunity to become acquainted with the body of the Club.

The Club Chorus is slowly taking shape and form. A rehearsal will be held prior to the Club meeting, January 13th, at 2 o'clock. It is most important that all who wish to enter the chorus should attend this rehearsal, as it is hoped to finally place the voices at this time. Please come promptly.

Club Meeting January 13th, 3 P. M.

A very full and special program has been arranged for this day. There will be a reception to all new members from 3 P. M. to 3.20 P. M., the members of the Executive Board receiving. The program will be furnished by Mrs. John B. Roberts, chairman of Literature and Art of the New Century Club of Philadelphia, which is as follows:

Newspaper Travesty, "The Woman's Page," guest of honor, Miss Jane Campbell; opening essay, Miss Campbell; heart interest story, Mrs. George Donohew; tested recipes, Mrs. Lewis R. Dick; bringing up mother, Mrs. Horace H. Bunell; answers to correspondents, Mrs. Walter Willard; poem, Mrs. Herbert T. Herr; beauty hints, Mrs. John B. Roberts; debate, "Should the Society Column be Abolished?"

Special social features at the conclusion of the program.

There is a demand at the present time for clothing and shoes, and if the men of our home town will look over their wardrobes and let us have anything they are willing to discard they will not only help the Y. M. C. A. with the revenue derived therefrom, but will also greatly benefit those in need, at a time when prices of new garments are almost prohibitive. Our rates are most reasonable and in every sale we make we feel that we are helping.

Some clothing was sold this week, and we now have a full suit and several coats for men, which we will be glad to display at any time if you will phone Mrs. J. T. Darlington or Mrs. D. D. Stickney.

School Notes

"Without halting, without rest,
Lifting better up to best."

The New Year opens with an additional enrollment of 13 pupils in second semester beginners' class. We regret that Miss Wetherill could not open the New Year with us, but from her sick room she sends us cheery words. Needless to say, we hope she may soon be restored to health and strength, and that her valuable school work may be the privilege of ours to enjoy. Mrs. George Smith, of Narberth, is substituting in the First Grade. On the opening day we were fortunate to have Mrs. Royden Hunt in charge, as she had for two years been well acquainted with the primary work of our school.

Miss Marie Yerkes, of Hatboro, is filling the position held by Miss Cooper, i. e., Second Grade and supervisor of drawing and hand work in the Elementary School. Miss Yerkes is well qualified for the position both by academic preparation and experience. For three years she taught in the Primary Department of the Hathoro School and supervised drawing throughout the school system.

The Senior Class is preparing to entertain Narberth with a unique program some time during the next month.

Sophomore Doings.

Since Vice-President Sperry has gotten his new dancing slippers, he has become quite proficient in doing the Scotch Shimmy.

The Sophomores will hold their monthly class meeting January 16th, 1920, at the home of Miss Martha Martin, Wayne avenue, Narberth.

The Freshmen Class during the holiday season enjoyed the hours of a "Freshmen Party." Miss Regina Gallagher, of Pittsburgh, a friend of Mabel Hancey, was guest of honor.

One of the happy New Year surprises to the student body and faculty was the appearance of a "sparkler" on Miss Fryer's left hand.

The Girls' Basketball Team played their opening game with Ambler High School Wednesday afternoon. The score was 34 to 24 in favor of the Narberth girls.

The Narberth girls played a fast game from whistle to whistle, and showed that they meant to bring a championship to Narberth in 1920. The work of the two forwards, Miss Cook and Miss Fowler, was exceptionally noticeable.

The line-up was as follows:

NARBERTH. AMBLER.
Miss Cooke...Forward...Miss Arihele
Miss Fowler...Forward...Miss Widener
Miss Harsch...Center...Miss Griffith
Miss Maltby...S. Center...Miss Aruff
Miss E. Mueller...Guard...Miss Sherown
Miss F. Mueller...Guard...Miss Gilbert

Field goals—Miss Fowler, 13; Miss Cooke, 2; Miss Arihele, 7; Miss Widener, 5. Foul goals—Miss Cooke, 3 out of 4; Miss Smith, 1 out of 1. Substitutions—Miss Knutzen for Miss Fowler; Miss Smith for Miss Cooke; Miss Fowler for Miss E. Mueller; Miss Wilcox for Miss F. Mueller.

Elm Hall never looked better than it did Wednesday evening. Dancers could not ask for better music, and even refreshment in the way of punch and cake was included in the evening's entertainment. Balloons, favors, horns and confetti made the dance a real live regular one, and dancers enjoyed the festivities so much that they continued until 3 A. M. Think of it—a dance lasting until 3 o'clock in a slow old place like Narberth!

NARBERTH DEFEATS SHERWOOD A. C.

Narberth defeated the crack Sherwood Club of Philadelphia by the score of 47 to 36. The star of the game was "Capt." John Dickie, of the Narberth High School team. Dickie made some sensational shots from all angles of the floor. Capt. Durbin played a star floor game. His clubbing was on the sensational style.

The above department should be of the greatest use to the community, the list contains the name of every professional man, tradesman, mechanic, shopkeeper, etc., who does or can in any way serve his fellow-townsmen, and who is progressive enough to add name to list of Register.

As it is difficult for those contributing their time and efforts to the production of "Our Town" to personally either know or interview all such, it would be most helpful if those not now found in the printed list would send in a memo of their names, addresses, phone numbers and businesses or professions for listing. This will cost as follows: 10 cents each issue for 3 lines; 5 cents for each additional line.
